It shall be a misdemeanor of the first degree to fail to disclose, by false statement, misrepresentation, impersonations or other fraudulent means, any material fact used in making a determination as to a person's qualifications to work as a volunteer.

I understand that, to protect persons served by the department, a routine check through law enforcement, license bureaus, agency files, and references *may* be made. I understand that a criminal offense will not automatically exclude me from all volunteer positions; however, certain convictions will exclude me from volunteering in some positions. I understand that if I answered no to the criminal offense question on this application and a record should be obtained, it will prevent me from volunteering for the department regardless of the offense. I understand upon submission of this application that it becomes public record. I agree to promptly disclose any of the actions referenced above that may occur AFTER completing this application if I am considered an active volunteer with University of Florida Performing Arts. I understand that failure to do so will result in my immediate dismissal and removal from active consideration for any position.

I understand and agree that all information as it relates to persons served by the department is to be held confidential in compliance with the applicable Florida Statutes. All information that should come to my attention and knowledge as privileged and confidential will not be disclosed to anyone other than authorized personnel and that I shall conduct myself in accordance with the departmental security policies. I understand that failure to comply may result in criminal prosecution.

Finally, I understand the following Terms and Conditions:

Volunteers are not considered to be employees of the State of Florida. Volunteer hours may be applied towards community service credits or as work experience when applying for a state position. Volunteers are covered by state liability protection (Chapter 768.28 FS) and by workers compensation (Chapter 440 FS). No other benefits or collective bargaining agreements shall apply. Volunteers shall comply with all applicable department and agency rules. This agreement may be cancelled at any time following notice by either party. Upon termination of this agreement, all uniforms, ID cards, and other university supplied property shall be returned. By signing this application, I hereby agree to the terms and conditions cited herein and authorize University of Florida Performing Arts to conduct a criminal history background check on me at any time during my service as a Volunteer.

	affirm that all information on this application is true and correct.
